MANDIE KRAMER

MandieKramer@gmail.com | 512-698-1041 | Austin, TX 78758
Portfolio: bit.ly/aboutMandie | GitHub: bit.ly/MandiesGitHub | LinkedIn: bit.ly/MandiesLinkedIn

Full-Stack Web Developer driven to use my extensive knowledge to solve problems and push for continuous improvement. Years of experience (and fondness) working with engineers, ensuring the team focuses on the tasks at hand through smooth communication and leadership. Quick-learner, enjoys implementing new technologies and techniques into current work. Equipped with the expertise to develop intuitive user-interfaces that are a pleasure to use.

EXPERTISE

Project management, website creation and management, research, problem-solving, documentation, editing, and proofreading. Experience with HTML5, CSS, Bootstrap, Materialize, JavaScript, jQuery, AJAX, APIs, Node.js, NPM, React.js, MySQL, MongoDB, GitHub, Heroku, MVC, ORM (Sequelize, Mongoose), Mocha and Chai. Practices Agile development, using Rally / CA Technologies, JIRA, Trello, GitHub

PROJECTS

Tender | GitHub Repository: bit.ly/Repo-Tender | Deployed Site: bit.ly/Project-Tender
Project Manager, Full-Stack Web Developer
This app takes the stress of decision-making out of choosing where to eat. Just select a few criteria (or not!) and press the "Fork It" button for instant suggestions. The results include Google Maps and Zomato ratings, a map, and a link for driving directions.
Tools used: HTML5, CSS, Materialize, JavaScript, jQuery, AJAX, Google Maps API, Zomato API

bamazon | GitHub Repository: bit.ly/bamazonProject
Full-Stack Web Developer
A command-line Node.js app that lets you read and manipulate a MySQL database. In this case, the app represents a store called "bamazon."

Liri | GitHub Repository: bit.ly/LiriProject
Full-Stack Web Developer
A node app that lets you access various APIs (OMBD, Spotify, and Bands In Town) via several different methods, including the use of 'fs' and 'request' modules.

RELEVANT EXPERIENCE

NATIONAL INSTRUMENTS | *Program Coordinator*   Austin, TX | 08/2014 – 06/2018
Coordinated internal and external learning opportunities for 2000+ engineers globally. Helped spearhead the effort to promote adoption of the Office 365 rollout for the Learning & Development team and Human Resources globally in 2017/18. Maintained and updated internal websites, wikis, and the learning management tool (Cornerstone) via WYSIWYG editors, HTML, and JavaScript.

ATX HACKERSPACE | *Board Member*   Austin, TX | 06/2010 - 08/2011
Assured that corporate records were maintained and filed with the state as needed. Maintained publicly available resources such as the website, wiki, and mailing lists. Created company vector logo. Managed yearly holiday bazaar fundraiser and marketing campaign.

E3 PROPERTIES | *Internet Media Consultant*   Austin, TX | 07/2008 - 03/2009
Assisted several real estate agents in utilizing various forms of online media to advertise available properties. Performed research, composed, edited and maintained business owner's blog. Posted open house listings through various online resources.
